SEYBERT, District Judge:

The Court is in receipt of a DVD from defense counsel that contains, among other things, six audio files. In accordance with the Court's earlier rulings, these audio files will be produced to the Government in the following manner.

Five of the files ("Final Micro MC-90 Side A1-Enhanced;" "Final Micro MC-90 Side A1-Enhanced1;" "Final Micro

MC-90 Side A1-Enhanced2;" "Micro MC-90 Side A1;" and "Micro MC-90 Side A1-Enhanced") will be copied onto a new disc and turned over to the Government. A district court employee will copy the files at 11:00 a.m. on Friday, January 27, 2012. Representatives from the Government and/or the Defendant may be present at the copying and should contact chambers on Friday morning to be escorted to the correct office.

Because of an apparent technical glitch, the Court is unable to copy the sixth audio file, labeled "Transcribe version." Defense counsel is directed to copy this file onto a disc and produce it to the Government by Friday morning.

SO ORDERED.
